DECLARATION IN SUPPORT OF
MOTION TO QUASH SUBPOENA ISSUED BY PLAINTIFF
AND TO DISMISS CASE AS AGAINST ADAM CESCHIN

ADAM CESCHIN, a potential defendant, declares under penalty of perjury, as follows:

1. This Declaration is made in support of my *pro se* motion to quash the subpoena issued by the plaintiff and to dismiss plaintiff's actual or potential claims against me.
2. I have received, at the address of a relative, a copy of a subpoena and correspondence dated December 29, 2010, stating, among other things, that my IP address is 24.197.248.55 and my ID number is 1387. Voltage has asserted that the movie *The Hurt Locker* may have been improperly downloaded through my Charter account; Voltage is seeking disclosure of my identity and personally identifying information from Charter and, upon such disclosure, I will likely be named as a defendant in Voltage's lawsuit. A copy of said subpoena and a redacted copy of the accompanying correspondence I indirectly received from Charter are attached as Exhibit 1.
3. While I acknowledge that Charter was my ISP at the time identified in Exhibit 1, I deny that I downloaded the movie *The Hurt Locker* at any time through my account with Charter or any other ISP.
4. I have never resided in or had any significant contacts with the District of Columbia; in fact, I have never traveled to or within the District of Columbia, and I do not own any property there, real or personal. Accordingly, I do not consent to personal jurisdiction therein.

Dear Sir or Madam.

Charter has received a subpoena from attorneys for the Plaintiff seeking certain information about your Charter internet account ("Account"), including the Identifying Information listed above. The Court has issued an order compelling Charter to disclose this information relating to your Charter Account. Charter respects the privacy of its subscribers, and will disclose customer information only to the extent required by law, as indicated in Charter's privacy policy on www.charter.com. Because a court order authorizes the Plaintiff to obtain this information, Charter must disclose these records unless you formally oppose disclosure in the Court by the objection deadline stated above. Copies of the court order and subpoena are attached.

Charter records indicate that an IP address listed on an exhibit to the subpoena was assigned to your Account at the given date and time. Below is a copy of the log that associates the IP with your Account in this format: IP Address – Modem MAC – CPE MAC – IP Lease Start Time – IP Lease End Time.

Please note: Charter cannot provide you legal representation and cannot object to the subpoena or court order on your behalf. If you wish to take action in this matter, you should contact an attorney immediately, who can advise you of your specific legal rights. If you intend to oppose the order, you should do so without delay in the court identified in the subpoena and order. **AN OBJECTION MADE SOLELY TO CHARTER IS INSUFFICIENT; OBJECTIONS MUST BE MADE DIRECTLY TO THE COURT. HOWEVER, CHARTER MUST BE NOTIFIED OF AN OBJECTION NO LATER THAN THE OBJECTION DEADLINE GIVEN ABOVE.**

If you file an opposition to the order, you or your attorney should provide a copy of the objection you submitted with the Court to Charter (attention Kelly Starkweather via facsimile at 314-909-0609) by the objection deadline stated above so that Charter may withhold disclosure of your information. **PLEASE CLEARLY INDICATE IN YOUR COPY TO CHARTER (1) THAT YOUR OBJECTION WAS MADE TO THE COURT AND (2) PROVIDE YOUR NAME AND ADDRESS OR A COPY OF THIS LETTER, EVEN IF YOUR OBJECTION TO THE COURT IS ANONYMOUS. WITHOUT THIS INFORMATION CHARTER CANNOT WITHHOLD DISCLOSURE OF YOUR INFORMATION.**

Questions regarding your legal rights should be directed to the attorney of your choice. If you or your attorney has questions regarding the subpoena itself, you should contact the requestor directly. If you have any questions regarding your Account, Charter's policies or this correspondence, you should review the attached FAQs or the named accountholder may call Charter's Security Department directly at 866-228-0195. Please have this letter in hand if you call because you will be asked to confirm information contained herein.

Sincerely,

Charter Communications, Inc.

FREQUENTLY ASKED QUESTIONS

Q: Why did I receive this letter?

A: Charter received a subpoena related to the Court Case described below. As part of the subpoena, the Plaintiff sent Charter a list of IP addresses that allegedly downloaded and/or distributed the Copyrighted Work on a specific date and time. An IP address on that list was associated with your Charter internet account; your corresponding IP address log was stated in the letter you received. Because of this association, Charter is required to disclose your Identifying Information pursuant to the subpoena and court order. The MAC address is a unique number assigned to your modem.

Q: What is this Court Case about?

A: The Plaintiff has filed a lawsuit alleging that certain persons have infringed their copyrights by downloading and/or distributing the Copyrighted Work and has issued subpoenas to learn the identities of these persons. However, the Plaintiff does not know the actual identities of these persons – it only knows the Internet Protocol address (“IP address”) of the internet account associated with the alleged activity. Accordingly, the Plaintiff has filed this lawsuit against anonymous “John Doe” defendants and has issued a subpoena pursuant to a court order to determine the identities of the anonymous Doe defendants. As described above, one of these subpoenas has been sent to Charter as your internet service provider. If the Plaintiff receives your Identifying Information, you will likely be added as a named defendant to the lawsuit.

Q: Am I being charged with a crime?

A: This notice relates solely to a civil lawsuit, not a criminal investigation.

Q: Can Charter give me legal advice and/or object to this subpoena on my behalf?

A: NO. This notice does not provide legal advice and Charter cannot advise you on what grounds exist, if any, to object to this subpoena. If you would like legal advice you should consult your own attorney. You can seek legal assistance from several sources, such as private attorneys, community legal aid organizations, bar association referral services, legal clinics at universities, and advocacy groups specializing in making such objections.

Q: Has Charter disclosed my name and contact information to the Plaintiff yet?

A: NO. Your Identifying Information has not been disclosed yet. However, it will be disclosed unless you object to the subpoena by following the steps outlined below before the objection deadline stated in the letter.

Q: What must I do if I do not want my Identifying Information disclosed to the Plaintiff?

A: If you do not want your information disclosed, you must object directly to the court identified in the order and subpoena by the objection deadline stated in the letter. You must also notify Charter by sending a copy of this objection to the attention of Kelly Starkweather via fax to 314-909-0609. Please clearly indicate in your copy to Charter (1) that your objection was made to the court and (2) provide your name and address or a copy of the letter, even if your objection to the court is anonymous. Without this information Charter cannot withhold disclosure of your information. If you object to the subpoena directly to the court, your Identifying Information will not be disclosed until the court rules on your motion. Please note that an objection made solely to Charter is insufficient; it must be made to the court.

In summary, to prevent the disclosure of your Identifying Information, the following steps must be taken.

1. You must object to the subpoena directly to the court before the objection deadline.
2. You must notify Charter and send a copy of this objection to the court before the objection deadline. This copy should be sent by fax to 314-909-0609 to the attention of Kelly Starkweather and must (1) clearly indicate that your objection was made to the court and (2) provide your name and address or a copy of the letter, even if your objection to the court is anonymous.
3. Remember that objections must be made to the court; objections made solely to Charter will not prevent the disclosure of your Identifying Information

Q: What if I do nothing?

A: Charter is required to disclose your Identifying Information to the Plaintiff.
