
**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLORADO**

Civil Action No. _____

MALIBU MEDIA, LLC,

Plaintiff,

v.

RUSTY ALLISON,

Defendant.

DECLARATION OF TOBIAS FIESER

I, TOBIAS FIESER, HEREBY DECLARE:

1. My name is Tobias Fieser.
2. I am over the age of 18 and am otherwise competent to make this declaration.
3. This declaration is based on my personal knowledge and, if called upon to do so, I will testify that the facts stated herein are true and accurate.
4. I am employed by IPP, Limited ("IPP"), a company organized and existing under the laws of Germany, in its litigation support department.
5. Among other things, IPP is in the business of providing forensic investigation services to copyright owners.
6. As part of my duties for IPP, I routinely identify the Internet Protocol ("IP") addresses that are being used by those people that are using the BitTorrent protocol to reproduce, distribute, display or perform copyrighted Works.
7. An IP address is a unique numerical identifier that is automatically assigned to an internet user by the user's Internet Service Provider ("ISP").

8. ISPs keep track of the IP addresses assigned to their subscribers.

9. Only the ISP to whom a particular IP address has been assigned for use by its subscriber can correlate the IP address to a real person, the subscriber of the internet service.

10. From time to time, a subscriber of internet services may be assigned different IP addresses from their ISP. Accordingly, to correlate a person with an IP address the ISP also needs to know when the IP address was being used.

11. Many ISPs only retain the information sufficient to correlate an IP address to a person at a given time for a very limited amount of time.

12. Plaintiff retained IPP to identify the IP addresses that are being used by those people that are using the BitTorrent protocol and the internet to reproduce, distribute, display or perform Plaintiffs' copyrighted works.

13. IPP tasked me with implementing, monitoring, analyzing, reviewing and attesting to the results of the investigation.

14. During the performance of my duties, I used forensic software named INTERNATIONAL IPTRACKER v1.2.1 and related technology enabling the scanning of peer-to-peer networks for the presence of infringing transactions.

15. INTERNATIONAL IPTRACKER v1.2.1 was correctly installed and initiated on a computer server.

16. I personally extracted the resulting data emanating from the investigation.

17. After reviewing the evidence logs, I isolated the transactions and the IP addresses being used on the BitTorrent peer-to-peer network to reproduce, distribute, display or perform Plaintiff's copyrighted works associated with the Unique Hash

number.

18. The information set forth on Exhibits A and B to the Complaint accurately states the results of IPP's investigation of the infringement committed by the Defendant in this case.

19. On each "hit date" listed on Exhibits A and B a computer using the IP address assigned to Defendant connected to IPP's investigative server and transmitted a full copy, or portion thereof, of a digital media file identified by the Unique Hash Numbers that correlate to the Works covered by the Copyrights-In-Suit which are set forth on Exhibit C to the Complaint.

20. IPP's software analyzed each BitTorrent "piece" distributed by Defendant's IP address and verified that reassembling the piece(s) using a specialized BitTorrent Client results in fully playable digital motion pictures.

21. I was provided with control copies of the Works covered by the Copyrights-In-Suit. I viewed the Works side-by-side with the digital media files identified by those Unique Hash Numbers which correlate to the copies of the works covered by the Copyrights-In-Suit and determined that each of the digital media files contained a movie that is identical, striking similar or substantially similar to the Works covered by the Copyrights-In-Suit..

22. Once provided with Defendant's IP address, plus the date and time of the detected and documented infringing activity, Defendant's ISP can use its subscriber log to identify the name, address, billing address, email address and phone number of the Defendant.

FURTHER DECLARANT SAYETH NAUGHT.

DECLARATION

PURSUANT TO 28 U.S.C. § 1746, I hereby declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on this 13th day of July, 2012.

TOBIAS FIESER
