**Civil Action No. 1:12-cv-07577**

**Answer to Subpoena to produce documents, information, or objects or to permit inspection or premises in a civil action.**

This serves to quash the subpoena or objection to the subpoena , as I did not allegedly infringe Malibu Medial, LLC's copyrights on the internet by uploading or downloading a movie without permission using a device assigned the IP address 76.29.120.251 on 07/27/2012 00:25 GMT.

I have never bought or downloaded US made movies because of language barriers. To make sure that this was not even done unknowingly, I searched my computers for files created between 07/27/2012 and 07/28/2012, no such media files were found.

My Comcast ISP internet service does not need a password, and it is possible for it to be hijacked by others within access range.

All my computers are available for further inspection and investigation if needed.
