

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLORADO

Civil Action No. 12-cv-01642-CMA-MEH

PATRICK COLLINS, INC.,

Plaintiff,

v.

JOHN DOES 1-32,

Defendants.

---

**MINUTE ORDER**

---

**Entered by Michael E. Hegarty, United States Magistrate Judge, on August 30, 2012.**

Before the Court is Defendant John Doe 31's Motion for Leave to Proceed Anonymously, to Quash Subpoena and Dismiss or Sever for Improper Joinder [filed August 22, 2012; docket #23]. Due to its varied requests for relief, adjudication of the single motion will likely require several different standards of review and legal analyses of both dispositive and non-dispositive issues. In the interests of judicial efficiency and the proper management of its docket, the Court **denies** the motion **without prejudice** and instructs the Defendant to file his requests for relief each in separate motions, as applicable. *See* D.C. Colo. LCivR 7.1C ("A motion shall be made in a separate paper.").
