Re: *Combat Zone v. John Does 1-84* 3:12-cv-30085 MAP

Dear Judge Neiman:

I represent Doe #60 in the above titled case. I attach for the court's review a decision that was issued Friday by Chief Magistrate Leo Sorokin in Boston Federal Court that addresses the identical issues raised in the parties' motions.

I am submitting this document via the electronic filing system by which it shall be served on all appearing parties in this action.

Very truly yours,

Paul C. Rapp
