# HISTORY SIZZLE TIMELINE EXHIBIT G - 2

**2002:** The event that we know today started as a one day party called Sex On The Beach. This was a great party held in Miami/Ft. Lauderdale on major holiday weekends.

**2003:** During the Memorial Day Weekend, party promoter Dwight Powell organized a 3-day party weekend that began on Friday and went thru Sunday. The S

**2004:** After a successful 2003, word spread like wildfire about the sexy circuit parties in Miami during the Memorial Day Weekend. Organizers of the event then began to plan a 5-day party weekend with the Sheraton Biscayne being the host hotel. Ground transportation, air transportation and shuttle buses to all events were added to the line-up. Sizzle Miami became the first to offer four different types of VIP passes – tailored to be the needs of all participants. These quickly became the most sought after commodities as participants tried to avoid the long lines of other party seekers. As a result of fierce marketing and promotions nationwide, Sizzle 2004 doubled in size from the previous year. Recognized by the Greater Miami Conventions & Visitors Bureau, Sizzle Miami was on its way to becoming America's most anticipated and celebrated party event for men. This was the year that truly put Sizzle Miami on the map and because recognized as the best planned and executed event for gay men nationwide.
