The Parties That Started It All

The event that we know today started out as a one-day beach held on major holiday week-ends in 2000. Started by CIR and Bizarre Magazine publisher Dwight Powell, this must attend event was called Sex On The Beach. During the Memorial Day Weekend of 2003, Mr. Powell organized a 3-day party weekend, however, the Sex On The Beach name was dropped and changed to Sizzle Miami. Although extremely successful, the event was off-ended by mostly locals in the South Florida area. After that event, word began to spread like wildfire as partygoers and promoters soon started to chime in on the new sexy cabul party by the sea.

Months later, Mr. Powell set in motion plans for the new 3-day party weekend to be hosted at the Sheraton Biscayne Bay Hotel. It offered air and ground transportation, shut-

le buses to all events, four different types of VIP passes that became the most sought after commodities, electrifying clubs, top Dj, and stellar entertainment from across America. After unprecedented marketing and promotions nationwide, Sizzle 2004 doubled in size and became for many, the must attend event. In addition, as a result of the financial impact the event posed for the city, Sizzle Miami gain support and recognition from the Greater Miami Conventions & Visitors Bureau, and both the City of Miami and Miami-Dade County Mayor's offices. 2004 was the year that truly put Sizzle Miami on the map as it became widely accepted as the best planned and executed event for gay men of color nationwide. That achievement and trend continues to this day.

HISTORY SIZZLE TIMELINE

2004: After a successful 2003, word spread like wildfire about the sexy circuit parties in Miami during the Memorial Day Weekend. Organizers of the event then began to plan a 5-day party weekend with the Sheraton Biscayne being the host hotel. Ground transportation, air transportation and shuttle buses to all events were added to the line-up. Sizzle Miami became the first to offer four different types of VIP passes - tailored to be the needs of all participants. These quickly became the most sought after commodities as participants tried to avoid the long lines of other party seekers. As a result of fierce marketing and promotions nationwide, Sizzle 2004 doubled in size from the previous year. Recognized by the Greater Miami Conventions & Visitors Bureau, Sizzle Miami was on its way to becoming America's most anticipated and celebrated party event for men. This was the year that truly put Sizzle Miami on the map and because recognized as the best planned and executed event for gay men nationwide.

2005: The Sheraton hosted Sizzle Miami for the first time. It was a landmark on the success of 2004, instantly because the must attend event at the Sheraton was one with much atmosphere, ambiance, sizzling energy and vibes experienced by participants at a gay outdoor event. That year Plant Out named Sizzle Miami one of America's top 30 Outdoor events among events such as White Party and Winter Party. That year, Beyonce made her first appearance at Sizzle partying with friends at Club Pulse. This was a first indeed for Sizzle participants. She returned in 2006, but could stay too long. That year, Sizzle Miami became well established for its high end style and venues. Club Pulse and Bongos became instant hits. At The end of Sizzle 2005, the hotel was demolished to make way for new condos. Sizzle was the last group to stay at the Hotel. It was replaced with, Breeze.

06

07

2006: Sizzle Miami moved next door to the 4-star Hyatt Regency Miami which previously served as the overflow hotel. This property didn't bring the same atmosphere as the Sheraton, but it comes close with its scenic views of picturesque Miami River. For the first time, both the Mayor of the City of Miami and the Mayor for Miami-Dade welcomed participants to Sizzle Miami. Sizzle Miami grew by 300% over 2004. This year, Sizzle surpassed all previous years as it showcased some of the top clubs in the country. Club Space, Metropole, Bongos, and Solo on the bay became tough acts to follow.

Miami-Dade welcomed participants to Sizzle Miami. Sizzle Miami grew by 300% over 2004. This year, Sizzle surpassed all previous years as it showcased some of the top clubs in the country. Club Space, Metropole, Bongos, and Solo on the bay became tough acts to follow.

2007 Sizzle Miami grew in size and dominated the streets of Miami during the Memorial Day Weekend. It appeared as if the entire downtown area belonged to Sizzle. From the participants that working the streets shopping to others cruising the streets in their convertibles taking in all that Miami has to offer. 2007 was also a year of a few firsts at Sizzle. First we hosted the True Queens of Comedy, a parody of the hit original film "Queens of Comedy". However, ours came real close, we had true queens in the show and Sommore, one of the three comedians in the original film version. The show was a sensational hit and one of the highlights of the weekend. Another highlight was the execution of our Boogie Cruise. Complete with galins, tiki huts, 3 bar areas, sand swept dance floor, cabana beds, sun loungers, and state-of-the-art sound system. As with past years, the nightlife at the city's best clubs, and atmosphere at our host hotel, again proved to be the participant's favorites.

EXHIBIT J - 10

08

2008: 2008 was absolutely amazing, with an increased attendance of almost thirty percent, Miami hosted the largest gay event ever in the city during the Memorial Day weekend. Guests were treated to a super new event at the Hyatt Regency Riverfront. The All White Gospel & Soul R&B/Jazz Dinner concert was the latest installment of stellar events hosted by Sizzle Miami, and was by far the highlight of 2008. Attendees were dazzled by the sultry voice of R&B sensation Kevie Wyatt, along with the sexy, talented Octavious Tony and his band. The night events were nothing short of amazing. Despite a little rain on Saturday, the weekend was a success for organizers and attendees. For the first time in our eight year history, Sizzle hosted an event at Nocturnal Nightclub, one of downtown's premiere clubs next door to our Sunday night staple, Club Space. Without a doubt, Club Space is the most sought after venue ticket of the week, and with great reason... The atmosphere and vibe are to die for. The longest party of the week, Sizzlers party at Club Space until sunrise... Hence, the name of the party, SUNRISE. 2008 also saw the return of the sexy boxer cruise and the True Queens of Comedy event starring the breakout comedian and actress Luenell from the box office hit "Borat".

09

2009: Many of you might remember that 2009 was a year when American, and the World as a matter of fact experience the most devastating financial disaster since the great depression of the 1930s. A trend that began in 2008, many had lost or faced the fears of losing their jobs. The hotel industry plummeted, and banks and many other businesses were closing their doors left and right. Stressed and consumed with despair, Sizzle 2009 proved to be the perfect vacation getaway for thousand of men seeking refuge, fun and relaxation. True to form, Sizzlers flocked to Miami in numbers that rivaled our largest attendee level of 2008. Headlined by legendary R&B/Dance diva Deborah Cox, Sizzle 2009 proved to be our best to date. The all-white R&B/Jazz concert was simply amazing while Club Space, Bongos and the other night hotspots as usual did not disappoint. Celebrity hip-hop artist Trina made a guest appearance at our Sizzling Luau with still too this day is one of the most talked about event of 2010.

EXHIBIT J - 11

Like fine wine, Sizzle keeps getting better with time. With the support of numerous corporate sponsors such as Moët Hennessy USA, Glockenspiel, Andrew Christian, we've managed to put it all out there again. Exceeding previous years by far, the attendance of Sizzle 2010 was simply huge.

Sizzle 2010 set it off with a lavish VIP Party offering hosts the nation's most influential celebrities, professionals and event planners and a VIPs treat to a private gallery in Florida's famous Miami Design District.

Dispersed with the constant challenge to keep Sizzle fresh, new and exciting for our regions, we added a few events to our lineup. Grove Hills Live Jamaica hosted by premier sponsor Moët Hennessy, proved to be the perfect Sizzle welcome of 1000's. Imagine it, you feel great, look for highly detailed, mix your drinks, mix your party, get ready for new trends, trendy come, Christian Bale and Herbie Hancock, who also perform. It's the sound of that Another fine event was that last, showcasing a fashion show and concert will be featured, hosted by the Nation's top DJs. With more to come, the event will prove to be the highlight of Sizzle in years to come.

At Sizzle, Club Space, Bongo, Mellow Miami and our new nighttime additions, the Ice Palace and Koo & I were off a great pleasure. Our annual White House Jazz Dinner Party, was, however, for a Great Jazz Cruise, and Side Line Comedy Trolusion starring comedians Luvell and Big Lee, were an expected major highlights of 2010.

Sizzle Miami made history in 2010 as it became the first gay event ever to be featured live on the air, by a leading mainstream hip-hop radio station in America. For three hours, Miami's 99 Jamz FM, broadcasted from the yacht, welcoming thousands of visitors to our city and leading the fight against homophobia in Hip-Hop. Mad props to the DJ, Staff and management of 99 Jamz.

Another first for Sizzle, after various attempts, we successfully hosted the Florida Avenue Ball with a grand prize of \$5000. Without incident, the Ball, which ended at 7AM, earned us improved respect and credibility from members of the Ballroom community nationwide. With the assistance of Jack Marsh and various other national Ball personalities, look for Sizzle to bring it again in 2011.

WHAT'S THE WEATHER LIKE IN MIAMI AND DOES IT RAIN?

No it never rains in Miami. Well just kidding. Miami does get its fair share of rain during the Memorial Day Weekend, however, it's infrequent and consists of very short durations. Our rain is normally followed by sun, sun and yes, more sun. The average high is 86 degrees and the low is 71 degrees. For you girls that like to flaunt the furo not here baby!

HOW FAR IS SOUTH BEACH FROM THE HOTELS?

The bridge to South Beach is just 5 minutes from the host hotels.

HOW MUCH MONEY DO I NEED FOR EVENTS?

This is a very important question and here at Szele, we like to be upfront when it comes to cost and finances. It may not be a bad idea to bring your entire bank account. Well, just kidding, but know that, Szele isn't cheap and for good reason. Szele offers world-class venues and top-notch events. As you might image, to experience and have the best, you'll have to pay for it. Clubbing can range from \$20-40 depending on the venue. Fortunately, we're not charging South Beach prices (\$45+), but don't expect Szele events to cost less than \$20.

IF I AM STAYING ON SOUTH BEACH WHEN SHOULD I LEAVE TO GO TO A NIGHT EVENT?

But let me ask why the hell aren't you at the host hotels? For those that prefer to stray, we suggest that you leave no later than 10PM. The causeway (5-395) gets pretty backed-up during Memorial Day Weekend. Tens of thousands of Hip-Hoppers make their way to gillyz South beach each night, it's truly a mess. So you can either spend your evening on the causeway or at one of our fabulous, Sizing events. Just leave early! Because of the amount of people trying to get into our events, it's never too early to get to an event.

ARE YOU USING THE SAME VENUES FOR THE NIGHTLY EVENTS?

You've got to be kidding! Who does that? None of our venues will be repeated during the week. Expect a new sexy club with sizzling entertainment and atmosphere every night.

EXHIBIT J - 19

WHAT'S THERE TO DO IN THE DAYTIME?

There are literally thousands of things that you can get into in Miami - it's smorgasbord of entertainment and activities. Just say you're with Szele and you could get discounts... or kicked out. LOL, depending on the venue. Our welcome packets at the host hotel will provide you with an array of things to do while here in Miami.

WHERE ARE GOOD PLACES TO SHOP?

Next to sun bathing and beaching, shopping is a favorite for most of our Szeles. Like Lenox in Atlanta, Aventura Mall in Aventura is a perfect place to shop and be seen. For those of you that have much deeper pockets, Harbour Shops is a must. See shopaventuramall.com and baharbourshops.com for more information and directions or at your hotel information desk.

ARE THERE ANY CLOTHING OPTIONAL BEACHES?

I thought that you'd never ask. Yes there is actually. Haulover Beach Park provides sectioned areas were nude bathing and tanning is permitted. Located at 10800 Collins Ave., Haulover leaves little to the imagination.

 After January 1st 2011, refunds for the following purchases will not be valid:
 - Staff Passes
 - Parking Passes
 - Program Advertisements
 - Sponsorships
 - Vendor Payments

HOTEL CHECK-IN PROCEDURES:
 When you arrive at your hotel, you will bypass the front desk and go directly to check-in with the Suite Registrations Desk. Present the Suite associate with your drivers license, passport, or other government issued identification, and a form of payment for your room. You will be required to present the credit card used to reserve your room. Hotel balances will be due when you check in and can be paid with credit cards, money orders, cash, cashier's checks, and hotel gift cards & vouchers. **PERSONAL & BUSINESS CHECKS WILL NOT BE ACCEPTED FOR FINAL PAYMENT OF YOUR ROOM STAY.**

ABOUT YOUR HOTEL DEPOSIT:
 As you know, at the time of booking you were required to pay a non-refundable deposit equal to the cost of your first night stay.
 If you cancel after the cancellation deadline, your deposit will be lost. Any amount paid beyond the required deposit will be refunded to you within two weeks of cancellation.
 If you fail to cancel prior to the cancellation deadline or don't show up (aka no-show) on the date that you gave us when you made the reservation, your deposit will be lost. Any amount paid beyond the 3-night minimum requirement will be refunded to you within two weeks of cancellation.

ROOM TRANSFERABILITY:
 Your room is non-transferable after booking. Absolutely no name changes are allowed.

IF A MEMBER IN YOUR PARTY ARRIVES BEFORE YOU:
 If a person in your party will be arriving at the Hotel before you and wish to check in, hotels will not be permitted to check into your room unless prior arrangements are requested and approved. To do this, you must first request to add this person to your reservation as a second primary occupant. When the second primary occupant arrives to the hotel, hotels will be required to pay for a single night stay, and then your keys will be released to her/him. Your initial deposit will then be applied to the subsequent night. When you arrive, you will have to still check-in with us even though your secondary party has a key to the room in order to continue the reservation. If you fail to show up, again your reservation for the remaining days will be cancelled, and the room key given prior to your secondary-occupant will be broken.

The secondary occupant will need to check-in again with the Suite Registration Desk to initiate the process to become the primary room holder. This process will include room payment for the remaining nights that he/she will be staying at the hotel. Payments must be in the form of a credit card, money order, or cash. If there are deposits that exceed an amount equal to three nights stay, the amount will be returned to you the initial room occupant. **THIS DEPOSIT WILL NOT BE APPLIED TO THE SECONDARY OCCUPANT'S STAY.**

So if you know in advance that someone in your party will be arriving several hours prior to you, and will need to check in prior to your arrival, you will need to add that person to your reservation. **THIS CAN NOT BE DONE OVER THE PHONE.** You will need to send us an email from the email we have on file for you.

HOTEL REGISTERED GUESTS:
 Hotel policy requires that all guests staying at the hotel be registered at the time of check-in. At the time of check-in, keys will be issued to all parties in your room. If a key is lost or damaged, only registered guests will be permitted to obtain a replacement.

SUITE OFFICE OPERATIONS WEEK OF EVENT:
 Our office will be relocated to the hotel the morning of Wednesday 2/28/11. All calls will be forwarded there. For fastest service email us at mail@suiteplanet.com

EXHIBIT J - 37

HOTEL DEPOSITS/PAYMENTS:

The payment/deposit you paid for your first night stay is being assigned to the check-in date that you provided to us. If you fail to check-in on that date without notifying us at least 72 hours prior, you will lose your deposit and your reservation will be cancelled. BECAUSE YOUR DEPOSIT IS NOT AUTOMATICALLY APPLIED TO THE SUBSEQUENT DATE, IT IS IMPORTANT THAT YOU INFORM US OF A CHECK-IN DATE CHANGE.

HOTEL CHECK IN PROCEDURES:

When you arrive at the hotel, you will first check-in with the Suite Reservations Department which will be located at the entrance of the hotel. Your room payment for your entire stay will be secured by the Suite Miami Reservations Department, not the hotel.

After payment is secured for your hotel stay, you will be given clearance to check-in with the hotel front desk where you will be given your room keys.

If you paid for your room in advance, you will still need to first check-in with the Suite Registration Department. The hotel will not check you in without clearance from us.

FORMS OF PAYMENT:

VISA, MasterCard, Discover, American Express, Money-order, and Cash are valid forms of payment. Check will not be accepted as a form of payment.

HOTEL INCIDENTAL CHARGES/HOLDS:

When getting your room keys from the front desk, you will be given two options as it relates to incidental charges.

1. Option One - A hold of \$100/day will be issued to your credit card for incidental charges, such as telephone charges, movie rental, premium TV charges, etc. If you don't have a credit card, you can pay cash for your incidental charges.
2. Option Two - has holds on your credit card. With this option you will not be able to charge anything to your room and your phone won't be serviced.

EARLY CHECK-IN /CHECK-OUT

It's possible to check-in a day or two earlier or check-out later once we are notified. The same nightly rate will apply however this has to be handled via our office.

HOTEL CHECK-IN TIME:

Hotel check-in begins at 3:00pm. However, if rooms are available, the hotel will allow you to check-in earlier.

HOTEL CHECK-OUT TIME:

Hotel check-out time is 12:00pm. The hotel will charge you for an additional day if you fail to check-out on time without asking to make a late check-out request. Late check-out requests are not guaranteed.

RESERVATION CHANGES:

Prior to checking in, the hotel will not be able to assist you with making changes to your reservations. All changes must be communicated thru our office. Our company has a complete layout of the hotel, so their staff won't be able to assist you should you need assistance with your reservation. Always call 305-408-0812.

HOUSEKEEPING:

We have instructed the hotel not to have house-keeping start before 11:00. You won't be disturbed before 11AM.

There will be a \$1 surcharge per day per room (Hyatt Registry Miami Only). This will appear on your bill when you check into the hotel.

Suite guests are encouraged to leave at your discretion additional tips for maid service. The hotel will collect this from you when you get your room keys.

PORTAGE / BELL MAN:

Portage charges may apply.
