All statistics provided are based on past performance for current advertisements, and may not reflect future performance. When purchasing an ad, your actual results will vary and clicks may be higher or lower than expected. JuicyAds sells traffic based on time, not based on traffic volume. Estimated CPC price is based on 30-Day placement.

Hints and Tips

Be a Sell Out! Start your ad prices low to sell your available space, then raise prices when you know how much demand there really is.
