*Re: Liberty Media Holdings, LLC v. John Doe and Kyaw Aung  
C.D. Cal. Civil Case No. 12-3428*

Dear Mr. Skinner:

I am in receipt of your fax sent on July 10, 2012 at 3:00:04 PM EDT. Despite the brusque manner in which you dismissed my attempt to open a dialogue on the matter of the affirmative defenses, I am writing to you again to ask you to reconsider meeting and conferring on these issues.

I will delay the filing of my motion by another day in order to allow you the opportunity reconsider engaging in an attempt to come to an agreement, rather than burdening the Court with motion practice.

Best regards,

Marc. J. Randazza
