**I. INTRODUCTION**

1. The Plaintiff is the victim of a widespread campaign by individual and corporate “cybersquatters” – individuals who register and/or use domain names that are confusingly similar to the trademarks, registered or otherwise, of their targets. They do so to profit either from selling the domain names on the domain name after-market, using the domain names to earn click-through advertising fees, or merely to divert a certain percentage of traffic, otherwise destined to arrive at the Plaintiff’s website, to other websites. The Defendants in this action have all targeted Liberty’s trademark CORBIN FISHER®, and are diverting traffic from Liberty’s website to their own websites or to other websites.

2. This action seeks injunctive relief and damages against these multiple Defendants for their willful infringement of the Plaintiff’s niche-famous trademarks. The Plaintiff seeks injunctive relief to transfer ownership of the infringing domain names to the Plaintiff’s control, and the Plaintiff seeks to impose the maximum statutory damages award of \$100,000 per infringing domain name upon each Defendant for each domain registered and/or used, as provided for in 15 U.S.C. § 1125(d), otherwise known as the Anti-Cybersquatting Consumer Protection Act (15 U.S.C. § 1125(d) (hereinafter, “ACPA”).

3. Furthermore, given the Defendants’ clear willful infringement, the Plaintiff asks this Court to determine that this is an “exceptional case,” warranting the award of the Plaintiff’s attorney fees.

**II. JURISDICTION AND VENUE**

4. This Court has subject matter jurisdiction pursuant to 15 U.S.C. § 1121 and 28 U.S.C. §§ 1331, 1338(a), 2201 and 2202.

5. This Court has personal jurisdiction over the Defendants, who have engaged in business activities in and directed to this district, and have committed a tortious act within this district.

6. Venue is proper in this Court pursuant to 28 U.S.C. § 1391, as a substantial part of the events or omissions giving rise to the claims pled herein occurred in this district.

1 17. On information and belief, "Perry Sjogren" may be an alias or a false name, in  
2 which case the Plaintiff will seek to amend this complaint to reflect the true responsible party's  
3 name after the discovery process reveals his true identity.

4 18. SJOGREN registered and used the following domain names with a bad faith intent  
5 to profit from such registration or use:

6 a. corbinfisherporn.com (Exhibit 3).

8 4.

5 29. This domain name is registered with Dotster, Inc. (Exhibit 11).

6 **B. Domain Registration Identity Masking Service Defendants**

7 30. The following Defendants are domain registration identity masking services. This  
8 kind of service registers domain names for third parties who wish to keep their identity a secret.  
9 These services have legitimate uses, but are often (as in the instant case) used by persons involved  
10 in unlawful activity, and who seek to evade detection and liability for their actions.

11 31. These Defendants act as the Registered Name Holder of domains for their  
12 customers, and then license back use of those domains to their customers.

13 32. These Defendants, by virtue of a contract entered into with their respective  
14 customers to provide anonymity services, inserted the name of their own anonymity service as the  
15 listed registrant for the infringing domains, to mask the true identity of who actually had control  
16 over the infringing domain(s).

17 33. The ICANN Registrar Accreditation Agreement (hereafter "ICANN Agreement") is  
18 an agreement between ICANN (a body authorized by the United States Government to regulate  
19 Internet registrations in this Country) and registrars of Internet domains. ICANN is the Internet  
20 Corporation for Assigned Names and Numbers, and is the governing body that grants accreditation  
21 to domain name registrars including these Identity Masking Service Defendants.

22 34. Even though these Defendants will likely claim that they are not the "true"  
23 Registered Name Holder of the infringing domains, the ICANN Agreement provides that in certain  
24 circumstances, parties in their position can be held responsible for the actions of underlying  
25 registrants.

26 35. Paragraph 3.7.7.3 of the ICANN Agreement, "[a]ny Registered Name Holder who  
27 intends to license use of a domain name to a third party is nonetheless the Registered Name Holder  
28 of record" and is liable for all "harm caused by wrongful use of the Registered Name, unless it

1 promptly discloses the identity of the licensee to a party providing the Registered Name Holder  
2 reasonable evidence of actionable harm.”

3 36. Even if the Identity Masking Service Defendants are not the actual owners in  
4 interest of the infringing domain names, they are proper Defendants in this case as contributorily  
5 liable for their customers’ illegal cybersquatting activities. See *Solid Host v. Name Cheap*, 2009  
6 U.S. DIST LEXIS 63423 (C.D. Cal. 2009).

16 **IV. BACKGROUND**

17 **A. Liberty’s Valuable Trademark Rights**

18 64. The Plaintiff has been using the CORBIN FISHER® mark in international  
19 commerce in connection with the adult entertainment industry since as early as January 2004.

20 65. The Plaintiff owns overwhelming trademark rights to the mark CORBIN FISHER  
21 established by six years of continuous and widespread use on the Internet, millions of daily visitors  
22 to the CORBIN FISHER network of websites, as well as near ubiquitous recognition in the relevant  
23 channels of trade.

24 66. The Plaintiff has been using “CORBIN FISHER” as a source identifier for its  
25 services since October 2003. Exhibit 32.

26 67. On August 11, 2005, Excelsior Media LLP (Liberty’s predecessor in interest)  
27 applied to register the CORBIN FISHER mark, and on January 9, 2007, the United States Patent  
28 and Trademark Office issued Registration No. 3,196,073. See Exhibit 33.

1           77.    The Infringing Domain Names incorporate the entirety of the Plaintiff's CORBIN  
2 FISHER trademark, consist of intentional misspellings of Liberty's mark, or consist of the  
3 Plaintiff's mark with a generic name attached thereto.

4           78.    The Infringing Domain Names are identical or confusingly similar to Liberty's  
5 mark. The Infringing Domain Names do not resolve to websites owned or endorsed by Liberty.  
6 Rather, upon information and belief, many of the Infringing Domain Names resolve to websites  
7 that are controlled by the Defendants.

8           79.    Plaintiff is informed and believes, and on that basis alleges that the Defendants were  
9 aware of Liberty's rights in the CORBIN FISHER mark and willfully infringed upon it by  
10 registering the Infringing Domain Names.

11           80.    Plaintiff is informed and believes, and on that basis alleges that Defendants were  
12 aware of Liberty's rights in the CORBIN FISHER mark and willfully infringed upon those rights  
13 by using the Infringing Domain Names in a bad faith attempt to capitalize on the CORBIN  
14 FISHER mark.

15           81.    Defendants provide no *bona fide* services at the Infringing Domain Names, but  
16 rather send visitors into rabbit holes of links that eventually lead to other commercial websites  
17 which compete with the Plaintiff. Defendants then receive payment for each of these clicks.  
18 Defendants' Websites contain numerous advertisements for and/or hyperlinks to a variety of  
19 products and services.

20           82.    On information and belief, Defendants receive financial consideration for this  
21 misdirected traffic.

22           83.    On information and belief, through Defendants' aforementioned acts, Defendants  
23 intended to misdirect valuable Internet traffic that otherwise would have gone to the CORBIN  
24 FISHER Websites.

25           84.    On information and belief, through Defendants' aforementioned acts, Defendants  
26 willfully created a likelihood of confusion between the Plaintiff's services and Defendants' services  
27 offered at the Infringing Domain Names.

28

1           85.     When a person looking for Liberty website lands on one of Defendants' Websites,  
2 that person may click on one of the advertisements or hyperlinks on the site either because the  
3 person finds it easier to click advertisements or hyperlinks than to continue searching for the  
4 Liberty site, or because the person mistakenly believes that Liberty has authorized or endorsed the  
5 advertisements or hyperlinks. In either case, the person has been diverted from the Liberty website  
6 he or she was seeking to visit, and Liberty has lost the opportunity to interact with that person.

7           86.     Liberty has not consented to Defendants' use of the CORBIN FISHER tradename,  
8 service mark, and/or domain name, nor has Liberty sponsored, endorsed, nor approved of the  
9 services offered and promoted by Defendants their respective Websites.

10          87.     Defendants are not affiliated with, or sponsored by, Liberty and have not been  
11 authorized by Plaintiff to use Liberty's mark. Defendants have not now nor ever been authorized  
12 by Plaintiff to use or register any name or mark that includes the Liberty mark.

13          88.     Defendants' services consist of nothing more than misleading webpages containing  
14 links to other webpages where third party goods and services are located.

15          89.     Defendants use the Infringing Domain Names in a scheme to profit from the Liberty  
16 Marks in bad faith.

17          90.     Upon information and belief, Defendants receive payment when Internet users click  
18 on one or more links or advertisements on the websites located at the Infringing Domain Names.  
19 Defendants receive these payments from one or more advertisers, affiliate programs, and/or search  
20 engines.

21          91.     Defendants have done nothing to market or promote the CORBIN FISHER mark  
22 independently of the infringing services offered at Defendants' Websites.

23          92.     On information and belief, Defendants adopted and used the CORBIN FISHER  
24 mark and the Infringing Domain Names for the purpose of misleading and confusing the public  
25 about its association with Liberty, and trading on the goodwill, reputation, and fame of the  
26 CORBIN FISHER mark.

27          93.     Defendants' registration and use of the Infringing Domain Names is to primarily  
28 capitalize on the goodwill associated with Liberty's mark for profit.

1           94. Defendants' infringing conduct and refusal to respect Liberty's trademark rights  
2 indicates that Defendants deliberately and willfully selected and are using a mark and a domain  
3 name similar to Liberty's famous trademark to mislead and confuse consumers into believing that  
4 Defendants' Websites are provided by, sponsored by, or approved of by CORBIN FISHER.  
5 Defendants are trading on Liberty's reputation and goodwill, and its enormous investment in the  
6 promotion of the CORBIN FISHER service mark, thus diluting the distinctive quality of the  
7 famous CORBIN FISHER mark.

8           95. Defendants registered the Infringing Domain Names willfully and with bad faith  
9 intent to profit from Liberty's mark.

10           96. On information and belief, Defendants knew about CORBIN FISHER, the CORBIN  
11 FISHER mark, and CORBIN FISHER's business at the time it adopted the CORBIN FISHER  
12 tradename, service mark, and the Infringing Domain Names, or was willfully blind to Liberty's  
13 trademark rights.

14           97. Defendants' first commercial use of the CORBIN FISHER mark and the Infringing  
15 Domain Names occurred after Liberty's first use of the CORBIN FISHER mark in connection with  
16 its services, and years after CORBIN FISHER's common law rights had been established.

17           98. Defendants' first commercial use of the CORBIN FISHER mark and the Infringing  
18 Domain Names occurred after Liberty's CORBIN FISHER mark had become famous.

19           99. Defendants' promotion of its services under the Infringing Domain Names is  
20 directed at consumers of Liberty's services and is conducted through the same channels of trade as  
21 are used by Liberty to promote its services under the CORBIN FISHER mark.

22           100. Defendants' use of the Infringing Domain Names, and Defendants' actions  
23 described herein are certain or likely to cause confusion, deception, and/or mistake as to: (a) the  
24 source or origin of Defendants' services; and (b) whether Liberty sponsors, endorses, or approves  
25 of Defendants or its services or is otherwise affiliated with Defendants.

26           101. Defendants' use of the Infringing Domain Names and Defendants' actions described  
27 herein dilute the distinctive quality of Liberty's famous CORBIN FISHER mark.

28

1 102. Defendants' use of the Infringing Domain Names and its actions described herein  
2 have been, and continue to be deliberate, willful, and with disregard of Liberty's rights.

3 103. Defendants continuing conduct constitutes an ongoing risk that the public will be  
4 confused as to the source or origin of the services provided at the Infringing Domain Names.

5 104. Liberty has sustained, and will continue to sustain, irreparable injury as a result of  
6 Defendants' conduct. This injury is not compensable solely by the award of monetary damages.  
7 Unless Defendants are immediately restrained and enjoined from engaging in their infringing and  
8 diluting conduct, Liberty will continue to suffer irreparable injury.

9 **FIRST CLAIM FOR RELIEF**

10 **Cyberpiracy – 15 U.S.C. § 1125(d)**

11 105. Plaintiff re-alleges and incorporates by reference, as if verbatim, each and every  
12 paragraph.

13 106. This is an action under the ACPA, 15 U.S.C. § 1125(d).

14 107. Each Defendant's Infringing Domain Names are confusingly similar to and/or  
15 dilutive of Liberty's famous CORBIN FISHER mark.

16 108. Each Defendant has registered, has used, and/or is using the Infringing Domain  
17 Names with the bad faith intent to profit from Liberty's famous CORBIN FISHER mark.

18 109. The Defendants' actions constitute a violation of the Lanham Act and the Anti-  
19 cybersquatting Consumer Protection act as codified at 15 U.S.C. § 1125(d).

20 110. Liberty has been, is now, and will continue to be irreparably harmed by the  
21 Defendants' aforementioned acts, and unless enjoined by the Court, the Defendants' unauthorized  
22 use of the Infringing Domain Names will continue, and there is no adequate remedy at law for the  
23 harm caused by the acts alleged herein.

24 111. The actions alleged herein to have been undertaken by the Defendants were actions  
25 that the Defendants caused to occur, were actions that the Defendants authorized, controlled,  
26 directed, or had the ability to authorize, control or direct, and/or were actions in which the  
27 Defendants assisted, participated or otherwise encouraged, and are actions for which the  
28 Defendants is liable.

1 112. Pursuant to 15 U.S.C. § 1125(d)(1)(c), this Court is empowered to order the  
2 Registrar to transfer the domain names to a prevailing Plaintiff.

3 WHEREFORE, Liberty prays that on the First Claim for Relief, the Court issue an order:

- 4 a. granting a preliminary and permanent injunction transferring all Infringing Domain  
5 Names and/or any other URLs that incorporate the Plaintiff's trademarks to the  
6 Plaintiff;
- 7 b. directing each Defendant to relinquish all rights in the Infringing Domain Names  
8 and to transfer the Infringing Domain Names to the Plaintiff; and directing each  
9 Defendant to relinquish all rights in any other Internet domain names that contain  
10 the Plaintiff's marks or any other confusingly similar variation thereof;
- 11 c. directing the relevant registrar of each of the Infringing Domain Names to transfer  
12 the Infringing Domain Names to the Plaintiff without delay;
- 13 d. awarding Plaintiff statutory damages of \$100,000 per infringing domain name  
14 registered by, used by, or trafficked by each Defendant under the Anti-  
15 cybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d);
- 16 e. awarding the Plaintiff its reasonable attorneys' fees, costs of Court and  
17 disbursements incurred herein in view of Defendants' intentional and willful  
18 infringement, pursuant to 15 U.S.C. § 1117;
- 19 f. granting the Plaintiff all other relief to which it is entitled and such other or  
20 additional relief as is just and proper.

21 **SECOND CLAIM FOR RELIEF**

22 **Trademark Infringement, Unfair Competition, and False Designation of Origin**

23 **15 U.S.C. § 1125(a)**

24 113. Plaintiff re-alleges and incorporates by reference, as if verbatim, each and every  
25 paragraph.

26 114. This is an action for trademark infringement, pursuant to 15 U.S.C. § 1125(a).

27 115. Liberty alleges and believes that Defendants chose the Infringing Domain Names,  
28 adopted the CORBIN FISHER mark, and took the other actions alleged above, in order to cause

1 confusion or mistake, to deceive the public as to the origin, sponsorship, or approval of the services  
2 of Defendants, and/or to deliberately pass off Defendants' services as those of Liberty.

3 116. Defendants' conduct constitutes trademark infringement and unfair competition in  
4 violation of 15 U.S.C. § 1125(a).

5 117. Unless enjoined, Defendants will continue their infringing conduct.

6 118. As a direct and proximate result of Defendants' infringing conduct, Liberty has  
7 suffered and will continue to suffer irreparable injury to its business reputation and goodwill for  
8 which no adequate remedy exists at law, and Liberty has lost sales, visitors and profits in an  
9 amount not yet fully ascertained.

10 119. Defendants' conduct complained of herein is malicious, fraudulent, knowing,  
11 willful, and deliberate, entitling Liberty to an accounting of Defendants profits, increased damages,  
12 and an award of it's attorneys' fees and costs incurred in prosecuting this action under 15 U.S.C. §  
13 1117.

14 WHEREFORE, Liberty prays that on the Second Claim for Relief, the Court issue an order:

- 15 a. granting a preliminary and permanent injunction restraining Defendants and any and  
16 all individuals or entities acting in concert or participation with them, from using in  
17 connection with any product or service or the manufacture, importation, exportation,  
18 sale, offering for sale, distribution, advertising, promotion, labeling, or packaging of  
19 any product or service, or for using for any commercial purpose whatsoever: (1) the  
20 designation CORBIN FISHER; (2) the Infringing Domain Names and/or any other  
21 URLs that incorporate the Plaintiff's trademarks; (3) any other designation that is  
22 likely to cause dilution of the distinctiveness of the Plaintiff's trademarks or injury  
23 to the Plaintiff's business reputation; or (4) any other name, mark, or term likely to  
24 cause mistake in the mind of the public or to deceive the public into the belief that  
25 Defendants' businesses and/or products and/or services are in any way associated  
26 with or related to Liberty or its products and/or services; (5) engaging in any non-  
27 privileged activities that are calculated to, or reasonably likely to, interfere with the  
28 business relationships, existing or prospective, between Liberty and its customers.

1           123. Liberty's mark has become associated in the minds of consumers with one of the  
2 most reputable adult-entertainment websites on the Internet, and Plaintiff enjoys the benefit of the  
3 ever-increasing fame and goodwill associated with the CORBIN FISHER mark, as a result of its  
4 efforts and industry.

5           124. Defendants' aforementioned acts constitute willful infringement of the Plaintiff's  
6 CORBIN FISHER mark in violation of the Lanham Act, Section 32(1), 15 U.S.C. § 1114(1).

7           125. Consumers are likely to be confused by Defendants' use and display of the  
8 Plaintiff's CORBIN FISHER mark as a component of Defendant's Infringing URLs.

9           126. Consumers who navigate to the Infringing Domain Names are likely to believe that  
10 they are navigating to a site owned or endorsed by Liberty, thereby falsely designating the origin of  
11 the goods and services offered via the infringing site.

12           127. Consumers, once so misled, are likely to purchase goods and services at the  
13 Infringing Domain Names, believing they are Plaintiff's or somehow affiliated with the Plaintiff,  
14 thereby resulting in a loss of sales to Liberty, blurring of the source of origin of products and  
15 services, and diluting the value of Plaintiff's CORBIN FISHER mark.

16           128. The use by Defendants of Plaintiff's CORBIN FISHER mark in connection with the  
17 Infringing Domain Names is likely to cause confusion, mistake, and deception in the relevant  
18 marketplace as to the source of origin of online services delivered to the end user who accesses the  
19 Infringing Domain Names, and will continue to do so unless enjoined by this Court.

20           129. By such wrongful acts Defendants has caused, and unless restrained by the Court,  
21 will continue to cause serious irreparable injury and damage to the Plaintiff and to the goodwill  
22 associated with Plaintiff's CORBIN FISHER mark, including diversion of customers, lost sales,  
23 and lost profits, blurring, tarnishment and dilution of Plaintiff's CORBIN FISHER mark.

24           WHEREFORE, Plaintiff prays that on the Third Claim for Relief, the Court issue an order:

25           e.           granting a preliminary and permanent injunction restraining Defendants and any  
26                       and all individuals or entities acting in concert or participation with Defendants,  
27                       from using in connection with any product or service or the manufacture,  
28                       importation, exportation, sale, offering for sale, distribution, advertising, promotion,

1 labeling, or packaging of any product or service, or for using for any commercial  
2 purpose whatsoever: (1) the designation CORBIN FISHER; (2) the Infringing  
3 Domain Names and/or any other URLs that incorporate the Plaintiff's CORBIN  
4 FISHER mark; (3) any other designation that is likely to cause dilution of the  
5 distinctiveness of the CORBIN FISHER mark or injury to the Plaintiff's business  
6 reputation; or (4) any other name, mark, or term likely to cause mistake in the mind  
7 of the public or to deceive the public into the belief that Defendants' business and/or  
8 products and/or services are in any way associated with or related to Plaintiff or its  
9 products and/or services; (5) engaging in any non-privileged activities that are  
10 calculated to, or reasonably likely to, interfere with the business relationships,  
11 existing or prospective, between the Plaintiff and its customers.

12 f. directing Defendants to relinquish all rights in the Infringing Domain Names and  
13 to transfer these Internet domain names to the Plaintiff, LMH; and directing  
14 Defendants to relinquish all rights in any other Internet domain names that contain  
15 the term "CORBIN FISHER" or any other confusingly similar variation thereof;

16 g. directing Defendants to account to the Plaintiff for any and all gains, profits, and  
17 advantages derived by Defendants from the sale of products or services through the  
18 use of the CORBIN FISHER mark or the Infringing Domain Names;

19 h. awarding Plaintiff a monetary judgment against Defendants for the maximum  
20 damages allowable pursuant to 15 U.S.C. § 1114(1), 15 U.S.C. § 1117, 15 U.S.C. §  
21 1125(a), and 15 U.S.C. § 1125(d);

22 i. trebling the amount of such award on account of Defendants' willful,  
23 intentional, and bad faith conduct pursuant to 15 U.S.C. § 1117;

24 j. awarding the Plaintiff its reasonable attorneys' fees, costs of Court and  
25 disbursements incurred herein in view of Defendant's intentional and willful  
26 infringement, pursuant to 15 U.S.C. § 1117;

27 k. granting the Plaintiff all other relief to which it is entitled and such other or  
28 additional relief as is just and proper.

# Domain Parking Manager

Parking Manager Domain Registrar

[Above Blog](#) [About Us](#) [Contact Us](#)

## About Above.com

Above.com Pty Ltd a Trellian™ Company, provides a complete domain parking management solution to maximize your parking revenues and productivity when using multiple parking services.

In every portfolio there will always be a percentage of domains where one parking service outperforms all others. Hence utilizing multiple parking companies will dramatically increase your revenues if done right.

The main problems to date has been that:

- Running tests on new parking services, usually results in loss of revenues, as it takes time for parking services to learn and optimize their landing pages.
- Some domains perform better, whereas others perform worse, if only you could move just the domains that would do better... but which ones are they?
- Changing the DNS every time you wish to do a test can be time consuming and difficult, especially if you have domains with multiple registrars. Only to have to change it back a week later when the test is completed and the results are not better overall.
- Making sense from the reporting that each parking company provides is a logistic nightmare. Do they even provide Real and Complete traffic statistics? Plus the more services you use the harder it is.
- Making timely changes, when one parking service has issues, or a domain is blacklist, or stops paying is far too time consuming and not fast enough. Parking revenues are being wasted!

So in order to address these main issues and more, the Above.com Domain Parking Manager was created.

So while the Engines and Parking Services are paying less and less, you need to maximize the returns on your domains quickly and in a safe way.

If you are considering testing a new parking service, we strongly recommend using the Above Parking Manager Service to minimize on domain revenue losses and instead see greater profits from the domains that do perform better at each respective service.

If by chance you have already done a test in the past that did not go well, there is some good news, as the Above Parking Manager will learn from your prior test results to quickly identify which domains did in fact do better and start moving only those domains over.

**Simply, a must tool for every domain portfollo holder, large and small.**
