UNITED STATES DISTRICT COURT

Plaintiff,  
  
v.

Defendants.

NO. 2:13-cv-00288 RAJ-RSL

**DECLARATION OF DEREK  
FRANKEBERGER IN SUPPORT OF  
MOTION TO QUASH SUBPOENA  
RELATING TO DEFENDANT DOE  
46 LISTED AS IP ADDRESS  
24.17.150.225**

I, Derek Frankeberger, make the following declaration under oath and subject to penalty of perjury under the laws of the United States of America:

1. I am an information technology and networking professional. I state the following based upon my personal knowledge, and my education, training and experience.

I make this statement in support of Defendant Doe 46's Motion to Quash Subpoena. My opinions are based on a more probable than not basis.

2. I have worked in the Information Technology and Networking Profession for two years.

3. I hold a two year Associate Degree in Computer Sciences.

4. On May 7, 2013, I met with Doe 46 and conducted an

3 inspection of Doe 46's computers that use IP Address 24.17.150.225. Further, I asked Doe  
4  
5 46 about Doe 46's education training, experience and computer expertise.

6 5. I conducted various tests on the hard drives for any content consistent with the  
7  
8 attached disclosures attached hereto as Exhibit A or that would be consistent with the  
9  
10 Plaintiff's allegations. I have concluded that Doe 46 did not download information as set  
11  
12 forth in the complaint. My examination of Doe 46's computers does not reveal an activity  
13  
14 that would warrant further examination of Doe 46 or Doe 46's computers.

15 6. I discussed this matter with Doe 46. In my opinion, I do not believe that Doe 46  
16  
17 has sufficient computer knowledge or training to have used "Bit Torrent" software to  
18  
19 illegally download movies from the Internet. Doe 46 does not know what it is. Doe 46 has  
20  
21 no other occupant or guest in the home who has watched "Dawn Rider" or who have seen  
22  
23 on the computer other movies referenced in the attached summary of data. The computers  
24  
25 do not have the storage capacity for such data. It appears more likely to me that Doe 46's  
26  
27 IP Address was used fraudulently.

28 7. I found no evidence that Doe 46's computer contained Bit Torrent or any other  
29  
30 illegal software or that the computer had ever downloaded the movie "Dawn Rider," or  
31  
32 had any evidence whatsoever of the data contained in Exhibit A.

8. The above is true and correct to the best of my ability.

SIGNED AND DATED this 13th day of May 2013, at Fircrest, WA.

  
Derek Frankeberger
