U.S. District Court for the District of Nevada

Re: *Righthaven LLC v. Kelleher*, Case No. 2:10-cv-01184-KJD-RJJ

Dear Judge Dawson:

With the calendar call for the above-captioned case set for January 17, 2012, I respectfully request clarification from the Court on whether it will indeed be necessary for me to travel to Las Vegas to attend this. The Court issued an Order to Show Cause on November 2, 2011 that remains pending and could result in the dismissal of this action. Regardless, if I do not hear otherwise from the Court, I will attend the calendar call per the Court's January 4, 2012 Order.

Thank you for considering my request.

Respectfully submitted,

/s/ Andrew J. Dhuey
Attorney for Defendant, Kevin Kelleher
