RE: *Righthaven LLC v. Hoehn*, Case No.: 2:11-cv-00050-PMP-RJJ

Dear Mr. Mangano:

Thank you for your correspondence dated December 21, 2011.

I confirm that I have been appointed by the Federal District of Nevada to be the receiver in the above-captioned matter. The purpose of this receivership is to secure and auction off Righthaven's intellectual property and other assets to satisfy the \$63,720.08 Writ of Execution issued by the district court in favor of Wayne Hoehn on November 1, 2011. My job as receiver is to facilitate the transfer of these assets and to get the highest price for each.

It is my understanding that the no bond has been filed to avoid execution of the district court's order, and the order itself has not been stayed. Thus, I believe I am obligated to proceed with the auctions as expeditiously as possible upon my acquisition of Righthaven's assets. Please rest assured that each auction will include a notice that Righthaven continues to claim ownership over the assets.

Although form Assignments were provided to you as part of Defendant Hoehn's Motion to Appoint Receiver and Compel Assignment of Intellectual Property (Document 62, Exhibits C & D), I am in the process of preparing 278 individual copyright assignments for Righthaven to execute to facilitate the transfer of each of its registered copyrights.

In order to streamline this process, please inform me of the name and title of the individual who will execute the assignments on behalf of Righthaven. Please also confirm that you will use a Notary Public in Clark County, Nevada and provide me with the Notary's name and the date upon which his/her commission expires so that I may add that information to the copyright assignment forms. The more information you provide me regarding the copyright assignments, the less work that will be required of you to effectuate the transfers. A form trademark assignment also is enclosed herewith for your convenience. Please complete the blank fields, or provide me the information necessary to do so and I will then send you another PDF copy.

As you likely know, yesterday afternoon, GoDaddy transferred the domain name <righthaven.com> to my receiver account. I intend to place this domain name up for auction tomorrow it SnapNames and run the auction for one week.

Lastly, regarding the transfer of Righthaven's tangible assets, please provide me a complete inventory thereof so that I can determine how to best acquire, store and transfer those assets. Clearly, time is of the essence in all of these transactions.

I anticipate your cooperation and look forward to getting the necessary transfers effectuated as quickly and smoothly as possible. For purposes of efficiency, please correspond with me via e-mail (Lara@Rimonlaw.com).
