Lara,

I left Mr. Mangano a voice mail. Please advise if you would like for me to make further contact regarding the same.

Dear Mr. Mangano:

I hope this finds you doing well.

As stated in my correspondence of yesterday (attached here as well for your convenience along with the trademark assignment form), by way of this e-mail I am providing you with two hundred and seventy eight (278) copyright assignments -- one for each of the works in which Righthaven has a registered copyright. **Please have Mr. Gibson execute each one of these copyright assignments before a notary and return the executed assignments to me by close of business on Friday, December 30, 2012.**

Also, please be advised that I intend to proceed with the auction of <[righthaven.com](http://righthaven.com)> today. I will send you the press release announcing the auction once it goes live later this afternoon.

I have asked my assistant, Tony, to call you to confirm your receipt of my correspondence.

Please feel free to contact me with any questions.

Thank you.

Regards,

Lara Pearson
